Our school practices **Handle With Care** so all children can feel safe and learn.

The “Handle With Care” Model: If a law enforcement officer encounters a child during a call, that child’s information is forwarded to the school before the school bell rings the next day. The school implements individual, class, and whole school trauma-sensitive curricula so that traumatized children are “Handled With Care”. If a child needs more intervention, on-site trauma-focused mental healthcare is available at the school.
